**B380339** (Surface Mounted)

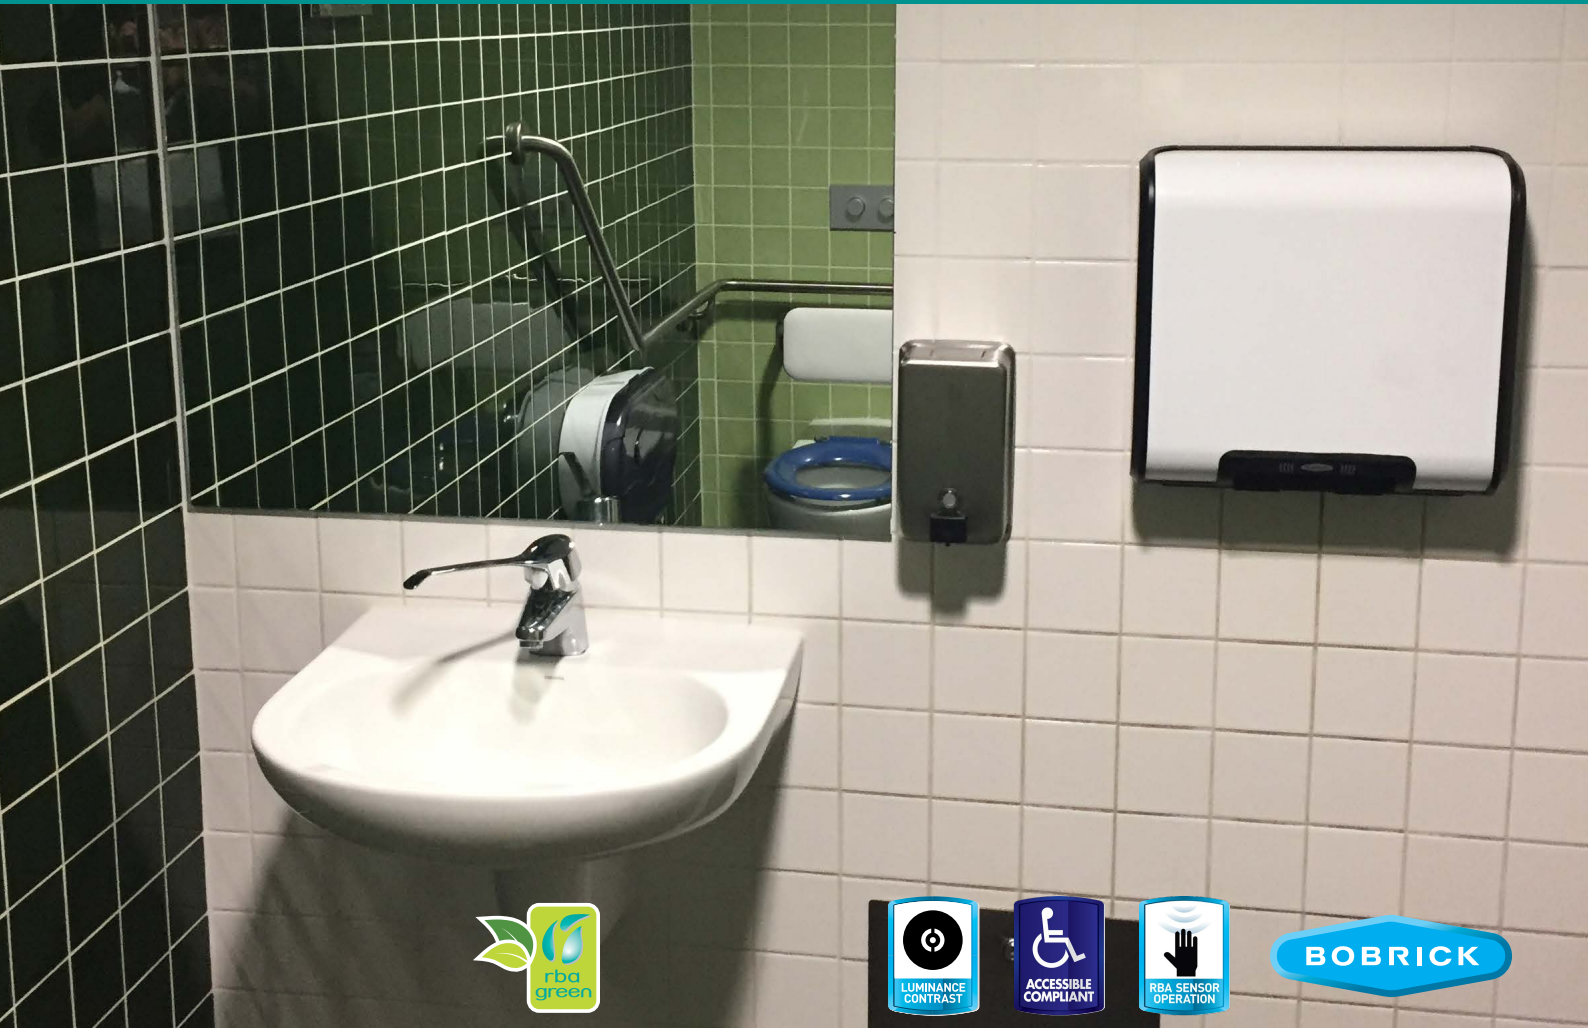

A photograph of a modern commercial bathroom. The walls are covered in light-colored, rectangular stone tiles. On the left, a sleek, silver hand dryer is mounted on the wall. In the center, a large, dark-framed mirror reflects a white door with a black handle and three recessed ceiling lights. To the right of the mirror, a portion of a white sink is visible. Below the mirror, a white pedestal sink with a chrome faucet is shown. The overall aesthetic is clean and professional.

Bobrick's Hand Dryers offer Hygienic solutions, High speeds and Quality Designs to suit any Commercial Bathroom.
