DID YOU KNOW?

Not only are our taps Lead-Free, but RBA's Pre-Plumbed piping assemblies for our troughs are also Lead-Free.

Title: 'The 7 Aboriginal Senses'

Artist: M. J. Badagarang,
Year Created: 2020

Description:

'The 7 Aboriginal Senses includes sight, sound, taste, touch and smell, with the two additional senses being intuition (Oogna) and imagination (Ngaa). To be fully connected through body and mind, we must be able to emotional express with Country (land, seas, people, animals, plants and dreaming/L.O.R.E) With this deep expression comes true connection to Country.'

RBA's Pre-Plumbed Trough series are Lead-Free, 6 Star WELS and compliant to AS1428.1, VSBA and EFSG Guidelines.
