A photograph of a modern, accessible bathroom interior. The walls are covered in large, light-colored rectangular tiles. The floor is made of grey wood-look planks. On the left, there is a white pedestal sink with a chrome faucet and a chrome grab rail mounted on the wall above it. In the center, there is a shower area with a glass door and a chrome grab rail. To the right, there is a white toilet with a chrome grab rail mounted on the wall above it. The overall design is clean and functional, emphasizing accessibility.
