Installation

RBA Custom furnishes each Elouera Behind the Mirror system with a detailed and project-specific Installation and Servicing Manual. This product is to be installed by suitably qualified persons, in a fit for purpose application, to suitable materials, using suitable fixings and complying with any relevant codes. It should be inspected periodically for signs of wear and tear that may affect performance or safety.

Important: Do not rough in without certified dimensions. Dimensions are subject to manufacturer's tolerance of +/-10mm.

Elouera is the boutique integrated washroom solution you've been searching for.

Designed and constructed in Australia, the Elouera Behind Mirror System combines all aspects of the handwashing experience into one seamless package. Quick to install and easy to maintain, Elouera allows designers and developers to declutter their washroom with an attractive, mirrored façade that is loved by users and operators alike.

Configure your ideal system and instantly submit a request for quotation with our handy online designer. Our helpful team will be in touch to discuss your options and provide initial submittal drawings for use in your project.
