260mm x 180mm

Materials & Features

Manufactured from a single piece of aluminium with a painted matte black coating. Incorporated braille and tactile elements are raised to comply with the Building Code of Australia. The 3D UV cured graphics are vandal and fade resistant, making the signs suitable for indoor and outdoor use.

Technical Detail

Material: 1.2/1.6mm, Matte Black Aluminium

Installation

Signs are suitable to be mounted directly onto flat surfaces including gyprock, painted timber, glass etc. RBA recommends that signs be secured using clear window/glass silicone. Refer to AS1428.1 and local building codes for mounting heights and locations.

As improvements in the design and performance of RBA products are continuous, specifications may be subject to change without notice. The illustrations and descriptions herein are applicable to production as of the date of this Technical Data Sheet. Revised 01/25 © 2025 by RBA Group TD/Models RBA4330-200 Series/0125
