

Model RBA8851-428

Materials & Features

Unit is highly vandal resistant, may be front or rear fixed and is manufactured from stainless steel. External surface is satin finish. Internal bowl is matt finish for hygiene, easy cleaning and scale resistance. The integrated seat is bright polished for hygiene and comfort. Laser-cut, flush-fitting access panels on both sides are fixed with security screws. Suitable for P- or S-Trap installations. Also available in coloured EnviroGlaze® [e.g. white] finish on external surfaces upon request.
