Installation

Warning: Grab rails are no stronger than the anchors or walls to which they are attached and must be firmly secured in order to support the loads for which they are intended. Refer local codes and Installation Instructions for location of fixing points, method of attachment, etc.

Important: Installation instructions and current rough-in details should be furnished with each fixture. Do not rough in without certified dimensions. Dimensions are subject to manufacturer's tolerance of +/-10mm.

As improvements in the design and performance of RBA products are continuous, specifications may be subject to change without notice. The illustrations and descriptions herein are applicable to production as of the date of this Technical Data Sheet. Revised 04/20 © 2020 by RBA Group TD/Model RBA4603-09 Series/0420
